SKILLS

- Database Management: MySQL, Oracle, SQL Server
- Database Design: Normalization, data modeling, schema design
- SQL Expertise: Complex queries, stored procedures, views, indexing, performance tuning
- Programming Languages: Java, JavaScript, HTML, CSS
- Data Operations: Data migration, ETL processes, backup and recovery strategies
- Development Environments: MySQL Workbench, Eclipse, VS Code

LANGUAGES

- English (Fluent)
- Hindi (Fluent)
- Marathi (Fluent)
- German (Beginner)

PROFILE

Database Developer with 2 years of proven experience in designing, developing, and optimizing complex database solutions. Skilled in managing data integrity, security, and performance for large-scale systems. Proficient in SQL, stored procedures, and performance tuning. Experienced in collaborating with cross-functional teams to deliver scalable and user-centric data solutions. Strong background in data migration strategies, database monitoring, and backup/recovery processes. Aiming to leverage my expertise to drive data-driven solutions and improve system efficiency in dynamic environments.

WORK EXPERIENCE

Mverse Technologies
2023 - PRESENT
Database Developer

- Designed, developed, and maintained complex database systems ensuring data integrity, security, and optimal performance.
- Expertise in writing advanced SQL queries, stored procedures, and performance tuning for large-scale databases.
- Hands-on experience with Oracle, MySQL, SQL Server, PostgreSQL and modern database monitoring tools for performance optimization.

Qspider Training Institute
2022-2023
Internship Program

- Completed hands-on training in Java Full Stack development, including core Java, advanced Java.
- Developed dynamic web applications using front-end technologies such as HTML, CSS, JavaScript.
- Gained experience in backend development with Java and databases like MySQL, Oracle SQL(10g), PostgreSQL, SQL Sever.

Bosch Limited Nashik
2020 - 2021
Diploma Trainee

- Supervised and managed production line operations to ensure efficient workflow and adherence to quality standards.
- Monitored equipment performance, identified issues, and implemented corrective actions to optimize production efficiency.
- Coordinated with cross-functional teams to maintain production schedules and minimize downtime.

EDUCATION

Bachelor Of Mechanical Engineering
2019 - 2022
MET Bhujbal Knowledge City Nashik | SPPU
